SUMMARY

Highly motivated Full-Stack Developer with expertise in Java, Spring Boot, MERN stack, and Data Science fundamentals. Experienced in academic and project-based development, building REST APIs, managing databases, and delivering scalable applications. Strong problem-solving skills with growing interest in AI-driven solutions."

PROFESSIONAL SKILLS

Problem Solving	Team Collaboration
Strong Communication	Full-Stack Application
Debugging Skills	AI Integration

TECHNICAL SKILLS

Java, C++, C#, Python, Data Structures & Algorithms (DSA), Spring Boot, React, Node.js, Express.js, MySQL, PostgreSQL, MongoDB, Git & GitHub, AWS, Cloud, REST API Development

PROJECTS

Portfolio Website
Jul 2025 - Aug 2025

Personal Project —

Developed and deployed a responsive portfolio website using *React.js* and *Tailwind CSS*, enhanced with smooth animations via *Framer Motion* and *GSAP*. Integrated *EmailJS* for contact functionality, showcasing projects and technical skills in an interactive and modern design.

Collage Result Management System
May 2025 - Jun 2025

Academic Project —

Built a result management system using *Python* and *Streamlit,* with data processing powered by *NumPy* and *Pandas*. Implemented *Matplotlib* for data visualization and efficient data handling to analyze and present student performance in an interactive dashboard, solving the real-world challenge of managing large student result data accurately and quickly.

EXPERIENCE

Full-Stack Developer (Academic Projects)

Implemented full-stack applications using Java, Spring Boot, and the MERN stack.
Collaborated with team members to design and deliver scalable solutions.
Integrated AI/ML APIs to provide dynamic, data-driven features.
Participated in code reviews and debugging sessions to ensure high-quality software.
Also successfully completed the Data Science and Web Development internship program at CORIZO.

EDUCATION

B.Sc Entire Computer Science (ECS)

Punyashlok Ahilyadevi Holkar Solapur University, Sangola College, Sangola

- Pursuing – Final Year (2025 – Present) | Current GPA/SGPA:8.92 (as of 2nd Year)

CERTIFICATES

IT Support Certificate
March 2025

- Completed Full-Stack Web Development Certificate
- Solved 100+ coding problems to strengthen problem-solving and algorithm skills.
